IntelliDriveSM HOT Lane Workshop

Date: Wednesday, October 21, 2009
Time: 8:30 AM – 4:00 PM
Meeting Facility: Metropolitan Transportation Commission
Joseph P. Bort MetroCenter
101 Eighth Street
Oakland, California 94607

MTC invites participation in an IntelliDriveSM workshop for High-Occupancy/Toll (HOT) lane operations to be held on **Wednesday, October 21, 2009** at the MetroCenter in Oakland, California.

At the workshop, MTC will present a white paper identifying the specific concepts that are feasible for, and would benefit from, field testing of IntelliDrive technology for HOT lane operations. Members of the public and private sectors will be invited to participate in facilitated discussion about the white paper's recommendations for the field testing.

Name:	
Organization/Agency:	
Title:	
Phone Number:	
Email:	
Will attend:	<input type="checkbox"/> In Person
	<input type="checkbox"/> Via Webinar (webinar details will be sent before the workshop)
	<input type="checkbox"/> Neither, but please email me the meeting materials
Please describe your interest in this workshop (i.e. tolling applications, IntelliDrive program, communications, etc.):	

There is no registration fee for this workshop; however, for planning purposes all attendees must register by **October 14, 2009**. Please send registration form to:

Rachel Gast
Mixon Hill, Inc.
rachel.gast@mixonhill.com
Phone: (913) 239-8400
Fax: (913) 239-8070

A light breakfast and lunch will be provided. All attendees are responsible for their own travel arrangements and costs. All attendees and webinar participants must register. Registrants unable to attend the meeting may send an alternate.

All webinar participants will be contacted prior to the workshop with further registration details.

For questions regarding the workshop, please contact:

Janet Banner
